Targeted Probe and Education (TPE)

We received notification from the Centers for Medicare and Medicaid Services (CMS) that the Targeted Probe and Education (TPE) Audits for ambulance providers has been suspended until further notice. Any claims currently under review will be released for full payment. Any Additional Documentation Requests (ADR) can be disregarded. We will keep you informed of any changes to this process.

If you have any further questions please reach out to your Strategic Account Manager.

Thank you,

Chief Compliance Officer
EMS Management & Consultants, Inc.
